

# EXHIBITION "Wow, Hokusai! See, Examine, and Discover Ukiyo-e" June 24 - August 31, 2025

The Sumida Hokusai Museum (Sumida City, Tokyo) holds Exhibition "Wow, Hokusai! See, Examine, and Discover Ukiyo-e" from June 24 to August 31, 2025. Katsushika Hokusai, one of Japan's preeminent artists, employed a multitude of devices that make the viewer gasp with astonishment. Noticing one, we wonder what devices he used in other works. Excited, we turn to the next work—eager to learn more about Hokusai and *ukiyo-e*. The *Wow, Hokusai!* exhibition invites visitors to experience Hokusai's appeal through the discoveries they find in his works. The process is clear: look at his pictures, examine each work with care, and make new discoveries. Here we introduce the work of Hokusai and his students through simple descriptions that will, we hope, spur your interest in Hokusai and *ukiyo-e*. Please have a delightful time discovering that "Ah!" moment, that "Wow!" sensation.
